

# Aan alle Wetenskap Expo Deelnemers

## To all Science Expo Competitors

As jy of een van jou kinders aan die Wetenskap Expo op 5 & 6 September 2008 deelneem, dan is hierdie boodskap baie belangrik vir jou. Ons is besig om met die be-oordelaars te onderhandel sodat die spelers wat ook graag die Mid-Gauteng Proewe wil speel, verskoon word van die Wetenskap Expo.

### Ons beplan dit so:

1. Ons gee 'n lys van die spelers aan die be-oordelaars.
2. Hierdie spelers word dan eerste beoordeel op Vrydagmiddag, 5 September 2008.
3. Ons skuif die Mid-Gauteng Proewe sodat dit eers om 17:00 op Vrydag, 5 September 2008 begin.
4. Nadat jou projek be-oordeel is, word 'n netjiese plakaat by jou stalletjie gesit wat verduidelik dat jy aan die Mid-Gauteng Skaak Proewe deelneem en bly onbeman.
5. Vertrek dan onmiddelik om aan die proewe deel te neem op 5 & 6 September 2008.

### Om hierdie te kan laat werk:

1. Het ek al die name nodig van die spelers wat aan die Wetenskap Expo deelneem, vandag nodig.
2. Moet ek alle name aan die be-oordelaars gee. Stuur dus asseblief die name vir my onmiddelik deur. Indien jy bewus is van so persoon, laat weet hom/haar asseblief.

### Die volgende voorwaardes geld:

1. 'n Speler moet voor einde 28 Augustus 2008 sy keuse uit oefen of hy/sy:
  - Wil gebruik maak van die opsie om Vrydag eerste be-oordeel te word en aan die proewe deel te neem

óf

- Om 'n 4de toernooi te laat tel vir sy/haar proewe meriete punt.

2. 'n Speler se keuse is finaal.

If you or one of your children compete in the Science Expo on 5 & 6 September 2008, then this message is extremely important for you. We are currently in negotiations with the judges to excuse the Mi-Gauteng players from the Science Expo on 5 & 6 September 2008.

**We are planning the following:**

1. We will give a list of players to the judges.
2. These players will then be judged first on Friday afternoon, 5 September 2008.
3. We will move the trails so that it on starts on 17:00, Friday afternoon.
4. After your project has been judged, you must place a neat sign at your stall indicating that you are competing in the Mid-Gauteng Chess trails and you will not be available.
5. Leave the venue immediately to attend the trials on 5 & 6 September 2008.

**To make this work:**

1. We need the names of all players who are also competing in the Science Expo
2. We must hand the names of the players to the judges. You must therefore send me you name immediately. Please let other players also involved in the Expo know.

**The following conditions apply:**

1. A player must elect his/her option before end 28 August 2008 if he/she:
  - Would like to make use of this option to be judged first on Friday and still to compete in the trails
  - OR
  - Would rather like to let a 4th tournament count as his/her trail merit point.
2. The descision of the above choice is final.
